GREAT THINGS ARE HAPPENING IN YOUR AREA

We are making changes to the nbn network in your community.

These changes are essential to Australia's growth and mean you could experience improved connectivity with faster internet speeds, increased reliability and more choice*.

CHECK ELIGIBILITY

To check whether your home or business is eligible to upgrade, check your address on our website at nbn.com.au and register for updates.

*Your experience, including the speeds actually achieved over the nbn network, depends on the nbn network technology and configuration over which services are delivered to your premises, whether you are using the internet during the busy period, and some factors outside our control (like your equipment quality, software, broadband plans, signal reception and how your service provider designs its network). Speeds may be impacted by the number of concurrent users on nbn's Fixed Wireless network, including during busy periods.

© 2024 nbn co ltd. 'nbn', 'Sky Muster', 'business nbn' and nbn logos are trade marks or registered trade marks of nbn co ltd | ABN 86 1362 533

Welcome!

It's fantastic to see so many of our visitors and exhibitors here again for our 45th Murrumbateman Field Days!

Tom White, Manager (second from left), and the Murrumbateman Field Days Team

Thank you - to everyone who makes this event possible. The Field Days are proudly run by the Murrumbateman Community Association (MCA). We couldn't do it without the incredible efforts of our volunteers, sponsors, community groups, business partners, exhibitors, and, of course, YOU — our visitors. Your support keeps this event happening every year.

Support Our Rural Businesses - make sure you visit all our amazing exhibitors and local rural businesses. They would love to see you.

New for 2024

Noah's Racing Pigs

A real family favourite, don't miss Australian pig racing at it's best. Audience participation encouraged and prizes to be won! All day on the oval. See page 10 for more details.

**Iain McCall, President,
Murrumbateman
Community Association**

As President of the Murrumbateman Community Association (MCA), I am delighted to be writing another covering piece for our premier event, the Murrumbateman Field Days. Now in its 45th year, the ongoing popularity and success of this event is testament to the spirit of community in our part of the Yass Valley.

Whilst the MCA are the primary organisers for the weekend, the whole thing would not be possible without the dedicated team of volunteers who turn out every year to help. From setting out the site, to mowing, and then helping on the day itself, we are always indebted to the people involved. Hopefully you are aware that we run the Field Days on a not-for-profit basis.

The community groups that help selling food, or cleaning toilets, are all paid for their efforts, and in that way, we return profits back to the community. Anything left over is used for the benefit of Murrumbateman as a whole.

In the past we have been able to fund the Recreation Hall, the Murrumbateman Market's Stage and the Food Hall on the Village Green. We are always on the lookout for projects we can assist.

Thank you for helping the community by attending today. If you would like to be involved in any small way, please consider joining the MCA and lending your support and voice to the future of Murrumbateman - you can find us at www.murrumbatemen.org.au

I hope you enjoy your day!

Did you know?

In 2023, 16 community groups - from 11 RFS brigades to schools, churches and sporting groups - provided event services to the Field Days. They earnt nearly \$35k for their groups cleaning toilets, emptying bins and car park marshalling. Many community groups now use the Field Days as their main fundraising event of the year. Our fantastic community catering groups made over \$31k profit from selling their delicious food, all of which they ploughed straight back into community projects.

Better coverage in more places.

When she's out in the paddock with her cattle, Jane needs to know she can still make a call. That's why she has a Telstra GO Repeater installed at her property and in her ute, maximising her coverage and giving her greater peace of mind through a more reliable connection.

With fewer missed calls and drop-outs, plus better battery life on her phone, Jane is able to feel more connected to her community and closer to those who matter most.

To find out more, visit
