Camping

Murrumbateman

There is an onsite free camping area set up at the Murrumbateman Recreation grounds for those exhibitors wanting to camp.

Facilities are limited, a portable toilet, and no power. We will provide access to the showers in the Amenities building at the NE corner of the oval from 6am – 7.45am Saturday and Sunday.

The camping area is outside the Field Days security fencing and with no access to sites out of hours. There is strictly no camping within the fenced Venue.

Yass

A 20-minute drive will get you to the Yass Showground where they have powered sites, toilets, and shower facilities for \$25 per night.
